## HOLY DAYS CALENDAR YEAR 2017

To the 'sanctified' body of the United Congregation of Israel, the following are the dates that this body will observe the Holy Days in the Gregorian calendar year 2017. YHWH Elohim has decreed that we keep these days in their *season* and in their month throughout our generations. Therefore, please govern yourselves accordingly by ensuring that you make arrangements with your employers to take the days off that are **marked as Sabbaths** as commanded by the Laws of YHWH in Leviticus Chapter 23. The Holy Days will begin at sundown (*evening*) on the dates listed and continue through the following day, ending at even; ***therefore, remember to take the following day off.***
