

# THE UNITED CONGREGATION OF ISRAEL

## HOLY DAYS CALENDAR YEAR 2026

To the 'sanctified' body of **The United Congregation of Israel**, the following are the dates that this body will observe the Holy Days in the Gregorian calendar year 2026. YHWH Elohim has decreed that we keep these days in their *season* and in their month throughout our generations. Therefore, please govern yourselves accordingly by ensuring that you make arrangements with your employers to take the days off that are **marked as Sabbaths** as commanded by the Laws of YHWH in Leviticus Chapter 23. The Holy Days will begin at sundown (*evening*) on the dates listed and continue through the following day, ending at even; ***therefore, remember to take the following day off.***
